| <p><b>WS:</b> A large farmyard with rows of corn, bales of hay, a tractor, and rows of extra enforced fencing all around the property.</p> <p>A FARMER, 34, in flannel and jeans, climbs out from under the tractor.</p>   | <p>FARMER:<br/>I used to really hate going to town. It's such a hassle.</p>                          |
| <p><b>WS:</b> Farmer strolls from his driveway, down a dirt road, with a basket hanging from his arm.</p> <p>He passes a mailbox with the name MATTHEWS on it.</p> <p><b>GFX:</b> The words <b>EX-WIFE APPEAR WITH AN ARROW POINTING TO</b> a FEMALE ZOMBIE, forever 29, looming in the background, stalking the farmer.</p> | <p>You never know who you might run into.</p>  |
| <p><b>MFS:</b> Farmer speeding down the dirt road in a 1967 Chevrolet Impala.</p> <p>Dirt flies everywhere.</p> <p>A HORDE OF ZOMBIES run after him.</p>   | <p>I used to take my old buddy Vlad into town every week.</p>  |
| <p><b>WS:</b> PEOPLE fighting at a gas station.</p>  | <p>But then gas started getting sparse which drove prices ...</p>                                    |
| <p><b>MS:</b> Farmer pulls a tarp over Vlad, his Impala.</p>   | <p><b>LAUGHS</b></p> <p>Well, you can imagine. People were basically killing each other for gas.</p> |
| <p><b>CU:</b> Farmer looks off in the distance dreamily, recalling an event.</p>   | <p>Then I found <u>her</u>.</p>  |

|---|---|
| <p><b>FS:</b> Farmer rubs his hand on the canopy of the scooter.</p>  | <p>The Scoot-SARZ-22.</p> <p>She's a 100% solar vehicle, tapping into one of our most renewable resources. There's no need for a charging station, gas, or oil changes.</p> <p>This baby can hit 80 MPH and drive for twelve hours straight on a single charge.</p> |
| <p><b>CU:</b> Farmer looks around and leans into the camera, as if speaking to a friend.</p>  | <p>Wanna know the best part?</p>  |
| <p><b>FS:</b> The scooter sits in all its glory.</p>  | <p>No doors.</p>  |
| <p><b>FS:</b> Farmer running from a GROUP OF ZOMBIES, jumping onto the scooter, and taking off.</p>   | <p>This makes it perfect for those times when you really need to just jump in and hit the road.</p>   |
| <p><b>MFS:</b> Farmer smiles into the camera.</p>   | <p>Don't just take my word for it!</p>  |
| <p><b>WS:</b> PEOPLE fighting at a different gas station.</p>   | <p>If you're tired of fighting over gas ...</p>   |
| <p><b>MFS:</b> Farmer runs from THREE ZOMBIES.</p>  | <p>Hate running into people on your walk to the store ...</p>   |
| <p><b>CU:</b> Farmer smiles as a HORDE OF ZOMBIES disappears behind him.</p>  | <p>And love to feel the breeze on your face as your cruise down the road ...</p>  |
| <p><b>WS:</b> Farmer, now in business attire, stands behind his barn amidst fifty or so solar powered scooters.</p> <p>A name tag sticker on his shirt reads HELLO MY NAME IS JASON.</p>                                | <p>Go see Jason Matthews today!</p>   |
| <p><b>GFX:</b> Directions appear on the screen.</p> <p><b>"IF YOU'RE WATCHING THIS BROADCAST, HEAD TO WICHITA, HOOK A LEFT AT THE WATER TOWER, AND GO ALL THE WAY TO THE END OF THE DRIVE. DON'T STOP IN TOWN."</b></p> | <p><b>SFX: LIGHT UPBEAT MUSIC PLAYS.</b></p>  |
